

UnitedHealthcare RxDC reporting portal open; new worksheets and updated RFI tool cover CMS instructions

The Request for Information (RFI) tool opened for employers and brokers on **Feb. 16, 2024**. The deadline for employers/brokers to complete the RFI has been extended to **April 10, 2024**.

New CMS instructions resulted in changes to the RxDC worksheets and to the RxDC RFI tool in the employer/broker portals. Employers and brokers are asked to complete the RFI/survey. UnitedHealthcare will submit the RxDC data by June 1, 2024.

UMR and Surest released a new survey beginning on **Feb. 16** that covers the changes in the CMS instructions.

- Surest survey deadline is extended to **April 10, 2024**.
- UMR survey deadline is **March 31, 2024**.

Updated RxDC worksheets are available. If you complete the worksheet prior to signing in to the RFI, it will simplify data entry in the tool.
