COBRA and POP with Dickerson and HR Service, Inc.

ERISA eSolutions

Use our web-based benefit compliance tools

SPD Wrap

Easily create, store and update ERISA required documents. Document changes are automatically updated to keep your SPD Wrap current with any requirements.

Employee Notifications

Generate customized all-in-one annual employee notices such as Medicare Part D, CHIP, WHCRA, HIPAA, Initial COBRA, Health Exchange, etc.

Section 125 Premium Only Plan (POP)*

Create, store and edit documents in our web-based document center. Clients and their insurance broker can access these documents.

Summary of Material Modification (SMM)

Easily communicate benefit changes.

Compliance Assessment & Dashboard

The compliance assessment and dashboard feature helps employers determine an overall risk assessment and supplies a list of missing compliance items. The reminder system and dashboard will help to make sure nothing falls through the cracks.

Employment Law Updates & Reminders

Stay informed of federal and state employment law changes, due to date reminders, and needed employer actions.

HIPAA Tool Kit

Easily comply with HIPAA through the training, guidance, tools and templates provided.
